Design Culture Now is the first survey of contemporary American design to span the disciplines of architecture, product design, graphic design, and fashion design. It presents cutting-edge work in architecture, landscape architecture, urban design, health care design, fashion, typography, film, graphics, products, and new media. Written and assembled by three leading critics and curators, Donald AlTween, Thokk Tho, and Steven Holl, the book explores the design of objects and practices that will define the twenty-first century.
